Mr. John J. Rabeni
Town Clerk
Town of Southborough, Massachusetts

Dear Mr. Rabeni:

I regret that I will be unable to accept the election to the Planning Board of which you notify me in your letter of March 16th. I cannot legally serve on both the Planning Board and Advisory Committee and as I have one more year to serve on the Advisory Committee, I would like to complete my term.

I am appreciative, however, of the confidence shown in me by my election to the Planning Board.

Sincerely yours,

Dwight E. Priest

WARRANT ARTICLES AND VOTE OFSPECIAL TOWN MEETING

At a special Town Meeting, duly called and held in the Town Hall on April 7, 1952, at which a quorum was present and acting, there appeared the following articles which were voted upon in legal manner.

Before officially calling the meeting to order the School Housing Committee was granted permission to review and explain, in detail, three plans for the proposed school building.

Harold A. Gauld and Paul J. Redmond, members o f the School Housing Committee, answered many questions relative to the school building and school building site.

Mr. Charles S. Barton stated that the Advisory Committee was in accord with the recommendations of the School Housing Committee.

Approximately thirty-three minutes were consumed in the discussion.

Moderator Earl G. Stringer opened the meeting at 8:08 p.m. and declared that there was a quorum present.

VOTED: To consider Article 3 at this time.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of $500,000.00 for the purpose of constructing and originally equipping and furnishing an elementary school building, andother necessary or desirable facilities in connection therewith, and to determine how said appropriation shall be raised, whether by transfer from available funds in the treasury, including the Post War Rehabilitation Fund and /or by borrowing or otherwise or do or act anything in relation thereto.

VOTED: That the sum of $500,000.00 be raised and appropriated for the purpose of constructing and originally equipping and furnishing an elementary school building and that to meet said appropriation the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of $500,000.00 and to issue bonds or notes of the Town therefor payable in not more than twenty years; $120,000.00 of the amount authorized to be borrowed shall be under the authority of and in accordance with the provisions of Chapter 44 of the General Laws, and $380,000.00 of the said amount shall be under the authority of and in accordance with the provisions of Chapter 645 of the Acts of 1948, as amended, and ~~with~~ the present School Housing Committee is hereby authorized to enter into contracts and to do all things that are necessary and convenient for constructing, equipping and furnishing such school building and that in the event that a vacancy shall occur in said Committee the remaining members of said Committee be and hereby are authorized to fill said vacancy.
The result, determined by standing vote was as follows:

SPECIAL TOWN MEETING-MAY 26, 1952

The Moderator, Earl G. Stringer, called the meeting to order at 7:33 P.M., and declare that there was a quorum present. The Moderator read the Warrant. There were 460 voters present.

Article 1. To see if the Town will vote to amend its by-laws by striking out and deleting Section 16 of Article II, which section provides as follows:

> "Section 16. The procedure and conduct of Town meetings not herein provided for, or otherwise regulated by general or special Laws of the Commonwealth, shall be governed by Robert's Rules of Parlimentary Practice, so far as it is applicable,"

or do or act anything in relation thereto. (Proposed by the Town Counsel).

Article 2. To see if the Town will vote to reconsider the action taken under Article 1 of the Special Town Meeting held on April 7, 1952, under which article the Town voted to purchase land for school building purposes, or do or act anything in relation thereto.
(Proposed by Percy Battye and 392 others).

Article 3. To see if the Town will vote to reconsider the action taken under Article 3 of the Special Town Meeting held on April 7, 1952, under which article the Town voted to appropriate five hundred thousand dollars ($500,000.00) for the construction of a new elementary grade school, or do or act anything in relation thereto.
(Proposed by Percy Battye and 392 others).

VOTED: To limit debate on Articles 1,2 and 3.

VOTED: To dismiss Articles 1,2 and 3 as a group.
The result, determined by standing vote, was as follows:
Votes in favor of dismissal---187 Against---165

VOTED: That Article 5 be considered at this time.

VOTED: That the result of the vote, regarding Article 5, be determined by ballot.

Article 5. To see if the Town will vote for the purpose of erecting an elementary school building and other necessary or desirable facilities in connection therewith, to acquire by purchase, or by gift or by taking by right of eminent domain under Chapter 79 of the General Laws, or otherwise, the following described parcel of land:

> Land of St. Mark's School, Inc., containing four and three-quarters (4-3/4) acres, more or less, and situated on the northerly side of Main Street and the easterly side of Marlborough Road, at the junction of said Marlborough Road and Main Street in the Town of Southborough, and bounded on the north by other land of St. Mark's School, Inc.; and bounded on the east by other land of St. Mark's School, Inc., and land of the Town of Southborough; and bounded on the south by land of Alfred and Marie DiPesa, and land of Howard C. and Myrtle Newton and land of Arthur L. and Hazel A. Hosmer and other land of the Town of Southborough; and also bounded on the south by Main Street; and bounded on the west by Marlborough Road,

and to appropriate money therefor and to determine how said appropriation shall be raised, whether by transfer from available funds in the treasury, including the Post War Rehabilitation Fund, and /or by borrowing or otherwise, or do or act anything in relation thereto.
(Proposed by Percy Battye and 392 others).

The motion relative to Article 5 is as follows:

I move that the Town for the purpose of erecting an elementary school building and other necessary or desirable facilities in connection therewith, acquire by purchase, or by gift or by taking by right of eminent domain under Chapter 79 of the General Laws or otherwise, the following described parcel of land:

> Land of St. Mark's School, Inc., containing four and three-quarters (4 3/4) acres, more or less, and situated on the northerly side of Main Street and the easterly side of Marlborough Road, at the junction of said Marlborough Road and Main Street in the Town of Southborough, and bounded on the north by other land of St. Mark's School, Inc., and bounded on the east by other land of St. Mark's School, Inc., and land of the Town of Southborough; and bounded on the south by land of Alfred and Marie DiPesa, and land of Howard C. and Myrtle Newton and land of Arthur L. and Hazel A. Hosmer and other land of the Town of Southborough; and also bounded on the south by Main Street; and bounded on the west by Marlborough Road.

The result of the vote, determined by ballot, was as follows:

Votes in favor-------247 A gainst-------165

The Moderator ruled that the motion was defeated, stating that a two-thirds vote was necessary to carry said motion. Mr. Philip W. Burke, being of the opinion that only a majority vote was required, asked the Moderator for permission, which was granted, to take exception to the ruling and to have said exception recorded.

Mr. Earl R. Smiddy, requested to have the Moderators instructions to the voters, relative to the procedure to be followed in marking and depositing ballots, recorded.

Voting on Article 5 was by use of the "Yes-No" ballot. The Moderator instructed the voters on a predetermined plan whereby the voters were to approach the ballot-box by way of the side aisles, receive, mark and deposit their ballots, and return to their seats by the center aisle.

A motion, duly made and seconded, to pass or dismiss Article 4 was defeated.

VOTED: To consider Article 7 at this time.

Article 7. ADJOURNED SPECIAL TOWN MEETING, JUNE 3, 1952

Moderator Earl G. Stringer called the meeting to order at 7:35 P.M., and declared that a quorum was present. The Moderator read the Warrant. There were 340 voters present.

Article 4. To see if the Town will vote to amend the vote taken under Article 3 of the Warrant for the Special Town Meeting held on April 7, 1952, by reducing the sum of $500,000.00 raised and appropriated under said vote and also to amend said vote by reducing the amount authorized to be borrowed as well as reducing the amount, if any, appropriated from other sources, or do or act anything in relation thereto. (Proposed by Percy Battye and 392 others).

VOTED: That the result of the vote, regarding Article 4, be determined by ballot.

The following motion relates to Article 4.

I move that the vote taken under Article 3 of the Warrant for the Special Town Meeting held on April 7, 1952, be amended by reducing the sum of $500,000.00 raised and appropriated under said vote and also be amended by reducing the amount authorized to be borrowed under said vote, so that the vote shall read as follows:

That the sum of $420,000.00 be raised and appropriated for the purpose of constructing and originally equipping and furnishing an Elementary School Building, and that to meet said appropriation the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of $420,000.00 and to issue bonds or notes of the Town therefor, payable in not more than twenty years, $120,000.00 of the amount authorized to be borrowed shall be under the authority of and in accordance with the provisions of Chapter 44 of the General Laws and $300,000.00 of the said amount shall be under the authority of and in accordance with the provisions of Chapter 645 of the Acts of 1948 as amended, and the present School Housing Committee is hereby authorized to enter into contracts and to do all things that are necessary and convenient for constructing, equipping and furnishing such school building and that in the event that a vacancy shall occur in said Committee the remaining members of said Committee be and hereby are authorized to fill such vacancy.

A motion, to limit debate, created a controversy and much confusion.
The town counsel ruled that a two-thirds vote was required in order to carry the said motion. Mr. Alexander J. Slack, questioned the town counsels ruling.
Mr. Harold A. Bauld stated that in as much as the question of a new school was a very important matter, involving a great deal of money, he was of the opinion, that debate should be allowed to continue. On a standing vote, the motion to limit debate was defeated.

Votes in favor of continuing debate------172
Votes in favor of limiting debate--=-----139

Mr. Harold A. Bauld, speaking for the School Housing Committee, compared figures and explained costs of the formerly approved school building against the costs of the school building proposed under the preceding motion.
After considerable discussion the ballot vote was taken and the result was as follows:

Votes in favor of Article 4----208 Against----139

The Moderator ruled that the motion was defeated, stating that a two-thirds vote was necessary to carry said motion.
On a motion offered by Mr. Philip W. Burke, and duly seconded, it was voted to reconsider the action taken under Articles 4&5 of May 26, 1952 meeting.
The result of a standing vote, relative to said motion, was as follows:

Votes favoring reconsideration-----17 Against-----3

On a motion made by Mr. Philip W. Burke, it was voted that Articles 4 & 5 of the May 26, 1952 Town Meeting be dismissed.
On a motion made by Mr. Charles S. Barton, both groups were given a vote of thanks for the work they had done, and a rising vote of confidence was given Town Counsel, Alfred W. Howes.

Article 6. To see if the Town will vote to rescind the action taken under Article 1 of the Warrant for the Special Town Meeting held on April 7, 1952 under which vote four parcels of land were to be acquired for the building of an elementary school and the sum of $17,000.00 authorized to be transferred from the Post War Rehabilitation Fund therefor, or do or act anything in relation thereto.
(Proposed by Percy Battye and 392 others).

UNANIMOUSLY VOTED: To dismiss Article 6.

Article 8. To see if the Town will vote to rescind the vote taken under Article 27 of the Annual Town Meeting held on March 10, 1952, under which the Town voted to appropriate two thousand dollars ($2,000.00) for the purchase of a Police cruiser equipped with a two-way radio, or do or act anything in relation thereto. (Proposed by the Board of Selectmen).

UNANIMOUSLY VOTED: That the vote taken under Article 27 of the Warrant for the Annual Town Meeting held on March 10, 1952, under which the Town voted to appropriate $2,000.00 for the purchase of a police cruiser car equipped with a two-way radio be and hereby is rescinded and that the sum of $2,000.00 appropriated therefor be returned to the Town treasury.

Article 9. To see if the Town will vote to transfer from any of its available funds a sum of money to be used for the purchase of a new Police cruiser equipped with a two-way radio and to authorize the Board of Selectmen to sell, turn in or otherwise dispose of a 1948 Ford Sedan now used as a Police cruiser, or do or act anything in relation thereto.
(Proposed by the Board of Selectmen).

VOTED: That the sum of $2,000.00 be transferred from the Excess and Deficiency account and that the same be appropriated for the purchase of a new Police cruiser car equipped with a two-way radio and that the Board of Selectmen be and hereby is authorized to sell, turn in or otherwise dispose of the 1948 Ford Sedan now used as a police cruiser.

Article 10. To see if the Town will vote to transfer from unappropriated available funds in the Treasury the sum of $1,712 for the Police Department for Night Patrol, or do or act anything in relation thereto.
(Proposed by the Board of Selectmen).

VOTED: That the sum of $1,300.00 be transferred from the Excess and Deficiency account and added to the account for the Special Police under the Police Department for the purpose of night patrol.

The result, determined by standing vote, was as follows:

Votes in favor of Article 10-----86 Against-----21

Article 11. To see if the Town will vote to transfer from unappropriated available funds the sum of $765.00 for a 7-Cent hourly raise for the employees of the Highway Department, or do or act thereon.

UNANIMOUSLY VOTED: That the sum of $765.00 be transferred from the Excess and Deficiency account and be appropriated as an addition to the Highway account for the purpose of increasing the hourly wage of the employees of the Highway Department 7 cents per hour.

Article 12. To see if the Town will vote to authorize and instruct the present School Housing Committee to continue the investigation of school building needs of the Town and to appropriate or transfer from any of its available funds a sum of money for such purpose or to authorize said Committee to use any funds previously voted and made available for such purpose, or do or act anything in relation thereto.
(Proposed by the School Housing Committee).

VOTED: That the present School Housing Committee be authorized and instructed to continue investigation of school building needs within the Town and that said Committee be empowered to prepare preliminary plans, specifications and cost estimates of said school facilities and to report its findings and recommendations at a future town meeting, and for such purpose that said Committee be authorized to expend the balance of $6031.41 remaining from the several appropriations made for such purpose, the last appropriation of $5,000.00 having been made under Article 2 of the Warrant for the Slecial Town Meeting of June 25, 1951.

Article 13. To see if the Town will vote to create a special unpaid Board under Chapter 638 of the Acts of 1949, to be known as a Regional School District Planning Board, to consist of three (3) members, including one member of the School Committee, to be appointed by the Moderator. Such Board to study the advisability of establishing a regional school district, its organization, operation, and control, and of constructing, maintaining and operating a school to serve the needs of such District; to estimate the construction and operating costs thereof; to investigate the methods of financing such school, and any other matters pertaining to the organization and operating of a Regional School District; and to submit a report of its findings and recommendations to the Selectmen, or do or act anything in relation thereto.
(Proposed by the School Committee).

VOTED: That the Town create a special unpaid committee to consist of three members to be appointed by the Moderator, one of whom shall be a member of the School Committee, said committee to study the advisability of creating a committee to be known as the "Regional School District Planning Committee" and to investigate and study such other matters related thereto as it may deem advisable and to report the results of its investigation and study and to make recommendations to the next Annual Town Meeting.

Article 14. To see if the Town will vote to transfer from any of its available funds, a sum of money and appropriate the same for extra legal services performed and to be performed for the Assessors' Department, the Welfare Department and the School Building Committee, or do or act anything in relation thereto. (Proposed by the Town Counsel).

UNANIMOUSLY VOTED: That the sum of $3,000.00 be transferred from the Excess and Deficiency account and that the same be appropriated for legal services and to be added to the appropriation made for legal services under Item 9 of Article 4 of the Warrant for the Annual Town Meeting held on March 10, 1952; said sum to be used only for legal services rendered in connection with the acquisition of land for school facilities and in connection with construction of school facilities, for legal services rendered to the Board of Assessors in connection with revaluation of the Town as voted under Article 6 of the Warrant for the Special Town Meeting held on April 7, 1952, and for legal services rendered to the Board of Public Welfare in connection with placement of liens on real estate of old age benefit recipients.

VOTED: That the meeting be dissolved at 11:40 P.M.

SPECIAL TOWN MEETING--SEPTEMBER 21, 1953

Moderator Edward V. Chaput called the meeting to order at 7:15 P.M., and declared that a quorum was present. There were 277 voters present.

It was voted to dispense with the reading of the Warrant.

Article 1. To see if the Town will vote to transfer from any of its available funds the sum of One Hundred and Ten Dollars ($110.00) and appropriate the sum to pay the salary of Dr. Timothy P. Stone for 1952 as agent of the Board of Health and as physician to the Well-Child Conference, or do or act anything in relation thereto.
(Proposed by Timothy P. Stone, M.D.)

Unanimously Voted: That the sum of One Hundred and Ten ($110.00) Dollars be transferred from the Excess & Deficiency Account and the same appropriated for the purpose named in the above article.

Article 2. To see if the Town will vote to transfer from any of its available funds, the sum of $300.00 and appropriate the same to pay the cost of engineering services, labor and material to be used for the improvement of drainage in the area of certain brooks in Southville, or do or act anything in relation thereto.
(Proposed by the Board of Selectmen)

Unanimously Voted: That the sum of Three Hundred ($300.00) Dollars be transferred from the Excess & Deficiency Account and that the same be appropriated for the purpose named in the above article.

Article 2A. To hear the report and recommendations of the Recreation Commission relative to the establishment and maintenance of the Fayville Playground, or do or act anything in relation thereto.
(Proposed by the Recreation Commission)

Unanimously Voted: That the report and recommendations of the Recreation Commission relative to the establishment and maintenance of the Fayville playground be accepted and that the Commission be authorized to name the Playground Harold E. Fay Memorial Field and to conduct such dedication and to erect such tablets or plaques as they may deem suitable provided that such exercises or tablets or plaques shall be conducted or erected without expense to the Town.

Article 3. To see if the Town will vote to transfer from any of its available funds, the sum of $1430.00 to be added to the appropriation of $1500.00 made under Item 47 of Article 4 of the Annual Town Meeting of March, 1952, and appropriate the total sum thereof, for the purpose of renting a dump site and fencing the same and paying the cost of labor and maintenance, or do or act anything in relation thereto.

Sept. 30, 1953

Mr. John J. Rabeni
Town Clerk
Southboro, Mass.

Dear Mr. Rabeni:

This is to notify you that as of September 1, 1953, Ann L. Cocoran resigned as a member of the School Committee.

Also, this is to notify you that, at a joint meeting of the Board of Selectmen and the School Committee, held on September 21, 1953, Mrs. Katherine O. Allen was appointed to fill the vacancy in said School Committee caused by the resignation of Miss Cocoran.

Yours truly,

Mary J. Firmin
Selectmens' Clerk

The minutes of the foregoing meeting are amended by inserting after the end of Article 20 and before the reference to the vote the following: It was duly moved and seconded that the sum of $160,000.00 be raised and appropriated for the purpose of constructing and originally equipping and furnishing an elementary school building, in addition to any other sums appropriated for said purpose, and to meet such appropriation the sum of $9,617.75 be appropriated from the Post War Rehabilitation Fund and the sum of $40,382.25 be appropriated from available revenue funds in the treasury, and the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of $110,000.00 and to issue bonds or notes of the Town therefor, payable in not more than twenty years under the authority of and in accordance with the provisions of Chapter 645 of the Acts of 1948 as amended.

This vote shall not take effect unless and until $500,000.00 shall be appropriated for said purpose by the ratification of the vote taken under Article 3 of the warrant for the Special Town Meeting of April 7, 1952 or otherwise.

"Mr. Frederick Claflin, Chairman of the Advisory Committee, stated that his Committee had given the matter contained in the article a great deal of consideration and believed that a nine room school would be adequate to take care of the immediate needs of the town, but that in a very short time, perhaps within a year or two years at the most, the town would need additional rooms for an elementary school; that it would be cheaper to add six additional rooms while the school was being built than it would to add them on to the school a year or two after it had been built.It was the unanimous recommendation of his committee that the town vote favorably on the motion so that a fifteen room school might be built if the town voted under Article 17 to ratify, confirm, re-enact and approve the vote of April 7, 1952, to build a nine room school for $500,000.00."

The minutes of the same meeting were further amended to correct an error by inserting a marginal reference after the motion which was made under Article 16 and before the reference to votes that the minutes of the meeting had been amended by adding at the end thereof recommendation of the Advisory Committee. At the end of the minutes of the meeting, following the first amendment, there was added:

"Mr. Frederick E. Claflin, Chairman of the Advisory Committee, stated again the serious need of elementary school facilities and recommended that the meeting vote favorably on Article 16".

The minutes of that meeting were further amended by inserting a marginal reference after the motion made under Article 17 and before the vote taken thereon, stating that the minutes had been amended in accordance with the third insertion at the end of the minutes of the meeting. At the end of the minutes of the meeting, following the first and second amendments, was inserted the following:

"Mr. Frederick Claflin, Chairman of the Advisory Committee, stated that in order to comply with the provisions of Chapter 44 of the General Laws, it would be necessary to appropriate from available revenue funds a sum of money equal to twenty-five cents on each thousand dollars of assessed valuation, and that this amount would be used in addition to such sums as might be borrowed for the purpose of erecting an elementary school. Mr Claflin stated that such an appropriation had been made in 1952, but that in view of the fact that it might be ruled that that appropriation would not meet the present legal requirements, that another appropriation for the purpose should be made at this meeting. He recommended for his Committee that the meeting appropriate $1500.00 from Excess and Deficiency or available revenue funds to be sure that the requirements of Chapter 44 would be met."

The return of Fred Sanchione, constable, as to service of the warrant for the special town meeting of September 21, 1953, was amended by adding at the end thereof: "The said railroad stations being all the railroad stations in the town ."

SPECIAL TOWN MEETING--FEBRUARY 1, 1954

Moderator Edward Chaput called the meeting to order at 8:12 P.M., and declared that a quorum was present. There were 93 voters present.

It was voted to dispense with the reading of the warrant.

Article 1. To see if the town will vote to rescind the action taken under Article 48 of the warrant for the annual meeting of March, 1952 under which it was voted to appropriate fifteen hundred ($1,500.00) dollars for the purpose of paying land damages to the owners of land to be used in the alteration and relocation of the intersection of Main Street and Cordaville and Marlborough Roads, and to return the money appropriated thereunder to the Town Treasury, or do or act anything in relation thereto.
(Proposed by the Board of Selectmen)

Voted: That the action taken under Article 48 of the Warrant for the annual town meeting of March 1952, under which it was voted to appropriate fifteen hundred ($1,500.00) dollars to pay for land damages sustained in the widening and relocation of the intersection of Main Street and Marlborough and Cordaville Roads, be rescinded and that the sum of fifteen hundred ($1,500.00) dollars appropriated thereunder be returned to the Town Treasury.

Article 1 approved as follows:

Votes in favor---75   Against---2

Article 2. To see if the Town will vote to accept from the Trustees of St. Mark's School, an interest in the parcel of land on the northerly side of St. Mark's Golf Course and southerly of the abutting land of Mary M. Bates and the land now occupied by Choate Memorial Field, for the purpose of using said land in which such interest is accepted for the purpose of disposal of sewerage from the new elementary school which the town voted to build on the easterly side of Cordaville Road, and to authorize any of its officers or committees to negotiate with said Trustees for such purpose and to enter into agreements or contracts in connection therewith, or do or act anything in relation thereto.
(Proposed by the Board of Selectmen)

Unanimously Voted: That the town accept from the Trustees of St. Mark's School an easement or other interest in the parcel of land southerly of the land of Mary M. Bates, said parcel of land to which such interest or easement shall attach to be of approximately four (4) acres, for the purpose of constructing sewerage disposal facilities for the elementary secondary school proposed to be built on the land of Mary M. Bates, said land to be used for the purpose of installing a leaching drainage system to dispose of settled sewage from said school, said system consisting of force mains, open joints, tile pipe lines and distribution manholes and that the Board of Selectmen be and hereby are authorized to negotiate with said Trustees for the acquisition of an interest or easement in said land and to enter into such agreements and contracts in connection therewith as the Board of Selectmen may deem necessary or advisable to acquire such easement or interest for the purposes set forth herein.

Article 3. To see if the town will vote to authorize its Board of Health to cancel the town's contract with L. Preston Andrews, under the terms of which the said Andrews was to collect garbage in the town for the annual price of two thousand dollars ($2,000.00) per annum and to enter into a new contract with said Andrews for the same purpose, and to raise and appropriate or transfer from any of its available funds such sums of money as may be necessary for said purpose, or to act anything in relation thereto.
(Proposed by the Board of Health)

Unanimously Voted: That the Board of Health be authorized to cancel the contract entered into between the town, acting through the Board of Health, and A. Preston Andrews of Westboro, which contract became effective April 1, 1952 and provided for the collection by said Andrews of garbage, providing that Mr. Andrews will agree to such cancellation as of January 1, 1954, and that the Board of Health be authorized to act for the town in making a new contract for the collection of garbage for such period and upon such terms and conditions as said Board may deem advisable, and that there be appropriated the sum of thirty-five hundred dollars ($3500.00) for such purpose, with authority in said Board to bind the town to a contract effective January 1, 1954.

Voted: To dissolve the meeting; time, 8:42 P.M.

VOTED THAT THIS ARTICLE BE DISMISSED.

ARTICLE 51,--To see if the Town will vote to raise and appropriate or borrow the sum of $30,000.00 for the purpose of building a new Fire Station in Cordaville and for purchasing land upon which to erect the same,and to authorize any of its officers or committees to enter into agreements and contracts relative to the same ,or do or act anything in relation thereto.)Proposed by the Southboro Fire House Building Committee)
Voted to read the report of Fire Dept' Committee of the Southville Fire House.
Report read by Frank Wood Report accepted :carried unanimously.
Following is the report.
Having been duly authorized by the Southboro Town Meeting of March 1953 to investigate the type of building necessary for the housing of the Fire Dep't Equiptment of the Town of Southboro ,situated in the Southville section of the Town ,and for furnishing and equipping the same ,and for the futher purpose of acquiring for said purpose a said parcel of land ;this committee wishes to sumit the following report.
Three sites of Land were investigated.The first we called the "Hubley Land",situated on the northerly side of Southville Road,and bounded on the west by Harrington Street,on the north by Highland Road ,and on the east by More Hubley Land.The second site we called the "Fitzgerald" land situated on the westerly side of Cordaville Road,and bounded on the north by Cottage Street,on the south by Southville Road,, and on the west by Colley Land. The third site we called the "Kelley Land" situated on the southerly side of Southville Road ,abutting the F Perini Land,This site we judged too small,and the enterance on Southville Road not suitable for the purpose.
The decision of the Committee was that a building 50ft X 45ft ,with garage space of 30ft X 45Ft ,four utility rooms adjoining was necessary for aneconomical but efficient station.The roof was to be of flat construction and there would be two 10ftx 10ft overhead doors on the garage section.The building was to be of cinder or cement block construction with no cellar, oil heat, and the utility rooms would be for boiler room,storage,toilet ,shower and a meeting room.
After consultation with an architect plans and estimates were submitted to the CommitteeThis building was 54ft x 45ft of cement block construction with red brick facing 12ft clearance in the garage section and 9ft clearance in the utility rooms,flat roof etc.The estimated cost of this building and land was $30,000.00 and the majority of the committee believed this to be too large a sum for the type of building needed.
Futher investagation was made and the committee with a group of citizens of Southville and Cordaville ,after futher study feels that a building 52ft X 42ft ,of cinder block construction and California white Stucco facing,flat roof,oil forced hot water blower heat,10ft overhead doors ,four utility rooms as stated ,painted interior, six windows instead of sixteen and no cellar,is right and proper for the housing of the Fire Dep't Equip.in Southville.
The detailed estimate of the construction of this building is $18,050.00 The purchase of one-half of the Hubley Land ,described eairler in this report,for the price of $600.00 and the futher construction of a black top driveway and furnishings bring the estimated complete cost of building and land to $19,500.00 and it is the recommendation of this committee that this project be completed at once because of its need now and in the futher for fire protection of the Southville -Cordaville section of Southboro .As we stated in last years ,report the need is great. The sum of $30.00 was spent for architects fees.

Respectfully sumitted: Francis E Wood

VOTED--That the sum of $19,500.00 be appropriated for the purpose of constructing a Fire Station in Southville and for the purpose of furnishing and equipping the same,and for the futher purpose of acquiring for said purposes the parcel of land situated on the northerly side of Southville Road and bounded on the west by Harrington Street,on the north by Highland Road and on the east by land of Hubley,and that to meet said appropriation the sum of $2,500.00 be raised by Taxation and that the Treasurer,with the approval of the Selectmen,be and hereby is authorised to bborrow the sum of $17,000.00 under the provisions of Chapter 44 of the General Laws,and to issue bonds or notes of the Town therefor,one note in the sum of $1,700.00 to be payable in 1955,one note in the sum of $1,700.00 to be payable in 1956,one note in the sum of $1,700.00 to be payable in 1957,one note in the sum of $1,700,00 to be payable in 1958,one note in the sum of $1,700.00 To be payable in 1959,one note in the sum of $1,700.00 to be payable in 1960,one note in the sum of $1,700.00 to be payable in 1961,one note in the sum of $1,700.00 to be payable in 1962,one note in the sum of $1,700.00 to be payable in 1963,and one note in the sum of $1,700.00 to be payable in 1964,and that the present committee appointed to investigate the need of a fire station in Southville as follows: Mr John W Bolan,the Chairman of the Board of Selectmen,Mr Charles F MacNeil,Mr Joseph F Blake,and Mr Francis E Wood,be and hereby is authorized to enter into contracts and to do all things that are necessary and convenient for the construction,equipping and furnishing of said fire house,and that The Selectmen be authorized and directed for the purpose of erecting said fire station to acquire by purchase or gift or by taking by right of Eminent Domain under Chapter 79 of the General Laws or otherwise the parcel of land herein before described.

Dear Mr.Kelly:

This is to notify you that,at the regular meeting of the Board of Selectmen,held on Friday,February 18,1955 ,Mr John H.Burke was appointed as Veterans' Agentand Burial Agent,to fill the vancancy caused by the resignation of Mr. Edward F Brock. Said appointment to take effect on and after February 28th,1955.

Board of Selectmen.

ANNUAL TOWN MEETING ,MARCH 14,1955

At the Annual Town Meeting of the Town of Southborough duly called and held in the Town Hall on Monday March 14,1955,at which a quorum was present and acting,there appeared the following Articles which were voted upon in Legal Manner.

Moderator Edward V Chaput opened the Meeting at 7:07 P.M.
There were 336 voters present.

Motion made and passed to dispense with the reading of the Warrant.

ARTICLE 1. To hear the reports of the various Town Officers and Committees and take such action thereon,sa the Town may vote.

Paul Redmond gave a verbal report for the School Housing Comm.
It was voted to adjourn the meeting at 10:45 P.M.

It was voted to delay the reading of the Report of the Comm. on the Police situation ,so that such report would preceed the Warrant Article on Police.

In the Report of the Advisory Committee Mr Frank Millea brought to the attention of the voters the following errors in said report.

Under Charities and Aid on page 5 in the paragraph which starts "By adopting this method" the Report reads that $2,500.00was approved for 1955---This should resd $25,000.00 .

In the Budget Items turn to page Budget Item # 12Police.
You will find that the Special Police account was omitted.An account of Special Police should be here and should read.
Expended 1954,$1,533.17 . Requested 1955 $500.00
The Total amounts are correct under this account.

Budget Item # 21.Street Lights.,The approved amount should be $6,814.80 - in the report it reads $6,814.00

Budget Irem #30 School - Under the accountMiscellaneous Operations the expended amount reads $2,364.78. This should be $2,634.78

Budget Item # 34. Water Under the Account Telephone you will find the requested amount reads $255.00 this should be $225.00

Turn to the Warrant Article Budgets in back of the report.On the second page under New Elementary School half way down the pageyou will find the account Legal Services amounting to $13,458.54.This is incorrectly inserted. It should read ,Legal Services $2,050.00, Architedt Fees $15,029.66. Architect Fees of $11,408.54 for Rich were incorrectly entered under Legal Services.The Legal Services were paid to the First National Bank$2,000.00 and Choate $50.00

It was voted to accept the reports as presented.

ARTICLE 2 .To see if the Town will vote to fix,for the calender year,1955 ,the salary and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41 of the General Laws as amended,which officers are as follows:-
One Moderator,one Town Clerk,one Treasurer,one Town Collector,three Selectmen,three Assessors ,three members of the Board of Public Welgare, three members of the School Committee,three Cemetery Commissioners, three members of the Board of Health ,three Water Commissioners, and one Tree Warden.

Report of the Special Committee Appointed under Articles 31 and 32 at the Annual Town Meeting - March 1954.

To The Honorable Board of Selectmen
Town of Southborough,Massachusetts

Gentlemen:

In defining the duties of this Committee,we have found it necessary to restrict our report to the questions which we were appointed to investigate.The motions passed at the 1954 Annual Town Meetion requested us to report on: first,the need for the Town to adopt the provisions of Section 97A of Chapter 41 of the General Laws relating to the establishment of and tenure for a police department for the Town: and second, the need for the Town to establish a salary of $3,900.00 annually for the Chief of Police

We have had the Massachusetts of Public Safety conduct a survey of our police needs,a copy of this report is appended. (On file in the Town Clerk's office)

If the Town of Southborough believes that a full time chief is desirable and necessary,we recommend that the Town adopt the provisions of section 97A,Chapter 41 of the General Laws giving him the security that would be provided by tenure.

The second question--that of salary-- is linked with the first,and with the size of the department of magnitude of his duties.

If Southborough accepts Section 97A etc. then we recommend a salary for such full time chief of not less than $3,900.00 per year. By "full-time chief" the committee means that the chief shall engage in no other outside occupational activities,nor shall he work for another Town Department,and his salary shall be his total wages from the police budget.

The members of this committee hold varying opinions on the questions closely allied to but outside the scope of this report.

We recommend:

1. That the Town of Southboroughadopt the provisions of Section 97A of Chapter 41 of the General Laws.

2. That the Town of Southborough set a sum of not less than $3,900.00 as annual salary for the Chief of Police.

Charles F Barton,Chairman, Arthur L Hosmer, Frederick J Sanchioni, Alfred W Howes, Ralph E Gray.

The Report was accepted

ARTICLE 28. To see if the Town will vote to accept the provisions of Section 97 A of Chapter 41 of the General Lawswhich provides for establishment of a police department and Chief of Police,appointed by the Board of Selectmen,with control of the Police Department in the Chief of Police,and providing further that the chief of police and no police officer shall be removed from office except for cause at a public hearing,or do or act anything in relation thereto.

A motion to vote on Article 28 by Ballot was defeated.
A show of hands vote was taken. Results of that vote,

Those in favor 112. Against 98.

VOTED : to accept Article 28,in the words of the Article.

Article 4 Item 12. That the sum of $8,000.00 be raised and appropriated for Police,and that Thirty-nine Hundred ($3,900.00) Dollars of the sum so appropriated be allocated for the payment of Base Salary of the Chief of Police.

Motion made to amend the Original motion to read "That the sum of $3,900.00 be raised and appropriated for the Annual Salary of the Chief of Police,and that an additional sum of $3,375.00 be raised and appropriated for the use of the Police Department,making a total of $7,275.00 To be raised and appropriated for the Police Department.

A third motion was made to amend the original motion which read, "I move that $11,688.60 be raised and appropriated for the Police Department,out of which said sum,$3,900.00 shall be allocated as a base salary for the Chief of Police.

Motion: by Frank Millea : Moved that the protective zoning by-law by proposed by the Planning Board be adopted.
I offer this motion for the purpose of opening the matter for debate. It is not my intention to attempt to limit any amendments which any-one cares to make in the proposed zoning by-law. I assume the matter will be taken up section,discussed and adopted and probably amended in places. Under the statutes this meeting may vote to adopt the zoning by-laws exactly as it is or it may vote to completely reject zoning by-laws of any kind or it may decide that there should be zoning by-laws in town but that they should not be adopted exactly as proposed. In that case we can vote to change any part or section of the proposed by-laws and when the meeting decides how the sections should read,then it can vote either to accept them as amended or to reject them entirely.

It was voted to admit the following persons to the hall and to permit them to speak. Mr Levine,Mr Bacon, Mr Lee and Mr Kilmane.

Of the many amendments made and presented to the Town for approval only the following were approved and placed in the By-Law.

Except that the area of land bounded on the west by Westborough-Southborough Town line ,on the south by the northerly line of the right-of -way formerly of Boston Worcester Street Railway Company, on the east by Parkerville Road and on the north by the area zoned for business on the southerly side of Turnpike Road be a Residence A District;That the area between Richards Road and Oregon Road bounded on the west by a line parallel with and 600 feet from the easterly line of Woodland Road be Residence C District;that the land bounded on the south by the business zone on the northerly side of Turnpike Road on the east by MiddleRoad and on the west by Parlerville Road and extending northerly 1150 feet be a Residence B District;that the land bounded on the north by Gilmore Road on the south by the northerly line of the taking for the east-west toll road and on the east by Parkerville Road be in a Residence C District;that the land bounded on the south by Turnpike Road on the west by Middle Road and on the east by Cordaville Road and on the north by a line 200 feet from and parallel with the northerly line of Turnpike Road be a Business District;that the land bounded on the south by Turnpike Road on on the east by Southborough-Framingham town line on the north by right-of- way of New York,New haven & Hartford Railway Company and on the west by Willow Street be a Business District;that the land bounded on the south by Turnpike Road on the east by Willow Street on the north by the right-of -way of the New York,New Haven & Hartford Railroad Company and on the west by a line perpendicular to the northerly side of Turnpike Road and 600 feet from Willow Street be in a Business District;that the land on the westerly side of Marlboro Road from the land of Trustees of St Mark's School northerly to right -of-way N.Y. N.H. & H. Railroad and land of Reynard and bound on the west by land believed to be of Helen S Bradley be zoned as Residence C District.

MOTION: that the Zoning By-Laws as proposed by the Planning Board with the exception of Sub-Division 2 of Section 3 which has been amended to read as above by inserting before the last sentence .

A show of hands vote was taken on this motion.

REPORT

OF THE

JOB CLASSIFICATION COMMITTEE

TOWN OF SOUTHBOROUGH

INCORPORATED
JULY 6, 1727.

JOB CLASSIFICATION COMMITTEE

JOHN HILL, Chairman

HOWARD E. GOFF

FRANCIS PESSINI

REPORT OF THE JOB CLASSIFICATION COMMITTEE

The Job Classification Committee authorized by the Special Town Meeting held on May 9, 1955, herewith submits its report.

The Committee's function was to study the jobs performed by Town Employees, to rank them based on an accepted rating scale and to set up an equitable pay scale, the maximum rates to be reached by periodic step rate increases. The Committee has also prepared a plan of administration. The entire Salary Administration Plan is incorporated in a By-law to be considered at a Special Town Meeting to be held on October 24, 1955. Authorization for the Town to act on this proposed By-law is covered in Sections 108A and 108C of Chapter 41 of the General Laws.

The Committee wishes to express its thanks to the many town employees, members of Boards, Commissions and Committees, and Town Counsel, who have cooperated with our Committee in completing our assignment. The Committee was most fortunate in obtaining the services of Samuel P. Allison of Wellesley, as a consultant. Mr. Allison is a recognized authority on job classification and salary administration in both the industrial and municipal fields.

Under Sections 108A and 108C of Chapter 41 of the General Laws of Massachusetts, a town is permitted by by-law to establish a plan classifying town positions, other than those filled by popular election and those under the direction and control of the School Committee (though on request of those in such positions, they may be included) and to establish minimum and maximum salaries, and step rates, for these positions, and to consolidate this plan and all personnel administration procedures of the town into one by-law. This by-law does not require prior approval of the Attorney General.

All employees of the town are entitled to fair and impartial handling of the wage and salary problem. The taxpayers should be able to feel that the level of wages and salaries is adequate, but not excessive. These two objectives are quite consistent with each other and will, in the opinion of the Committee, be attained through the Salary Administration Plan provided for by the by-law. Many towns in Massachusetts have adopted such a Plan and have found it successful. The Committee believes it will be equally successful in Southborough.

WHAT THE SALARY ADMINISTRATION PLAN IS AND HOW IT WORKS

The Salary Administration Plan is a program for treating every employee of the town, regardless of the department in which he or she works, as nearly like every other employee as is humanly possible, under similar circumstances, with respect to rates of pay, so-called "fringe benefits," and the like.

Basic Principles

1. Every employee's job is fairly rated with due regard to all the requirements and conditions which make one job worth more or less than another job.

2. Every employee will be paid what his job is worth in comparison with every other job.

3. When pay increases are allowed by the town, all employees will get equal consideration.

4. A Personnel Board will have the responsibility of carrying out what the Town Meeting votes in the way of wages and salaries, raises, holidays and vacation with pay, sick leave and other matters covered by the Plan.

5. Every town employee will have the right to go to the Personnel Board to present his side of a question regarding wages and other matters covered by the Plan. Section 16 of the proposed by-law prescribes a method by which any employee may process a grievance without prejudice.

6. Any employee not satisfied after taking a case to the Personnel Board can submit the case to the town meeting.

The Plan Explained

The Salary Administration Plan provided for in the proposed by-law will give Southborough a plan based on the most up-to-date and proved techniques and procedures of salary determination and administration. It will provide a simple and orderly procedure for handling such problems as the town grows.

The Plan will put compensation and related matters on a business basis, but for maximum results the underlying principles and thinking must be thoroughly understood. To help accomplish this purpose, this statement puts the precise, technical and legal terminology of the by-law into simple, every-day, layman's language.

The Plan consists of three parts: (1) The Classification Schedule, (2) The Salary Schedule and (3) The Personnel Board.

I. The Classification Schedule

In the Classification Schedule the town jobs appear in the order of their relative job demands and requirements, grouped into "Job Groups." This is like putting the jobs on **a flight of stairs**, with the jobs rating lower on the lower steps, and those with the higher ratings on the upper steps. The stair treads represent the Job Groups and the risers represent the differentials betwen the jobs or Job Groups.

The Job Group into which each job falls was determined by measuring each job in terms of its requirements for such components (or job factors) as job knowledge, skill, responsibility, effort, working conditions, etc. The Job Rating Plans used are widely used and accepted over the country by employees and employers and in many municipalities.

Jobs were not compared with each other as a whole or directly. Thus, it was not said, "This job is worth more than that job, so let's rank it higher."

Nor were jobs compared on the basis of job titles. Jobs may sound very similar from their titles, but actually differ as to duties and job demand. On the other hand, some job titles may sound unlike but the actual job demands may be similar.

Instead, as the components of each job were measured, each component received a certain number of points. The sum of these points is the point score or "rating" for the job. Only after this work was done, was it known how the jobs would rank in relation to each other.

The Classification Schedule is the basis for the Salary Schedule, for salaries cannot be established properly until the relationship of the jobs is known, and the differentials established.

II. The Salary Schedule

After the jobs were located on the proper steps, the next thing was to "price" them, and to establish rate ranges for each Job Group. This rate range is the rate range also for each job in the Group.

A rate range consists of a "minimum," which is the normal "starting rate" or "entrance rate"; and a "maximum," which is the "top rate" for the job. The Plan provides that a new full time employee will be on a probationary basis for the first six months and, if satisfactory service has been rendered, may then receive the first step-rate increase. From then on, he will come up annually, one year from the date of the latest increase, for consideration for the next upward step until the top rate is attained.

When a new job is created, or the duties of an existing job changed so that in effect there is a new job created, the procedure is to rate the new job or the changed existing job. This allocates the job to the proper job group and automatically sets the rate for the new or changed job.

The rate ranges, and single rates for various part time jobs, have been established on the basis (1) of a survey of rates in nearby communities, and, (2) of wide information on rates being paid for comparable work in business and in other municipalities in general.

It must be kept clearly in mind that the "top job rates" or "maxima" are never frozen. The maximum for a job, or Job Group, is simply the top rate at the time. The Classification Schedule puts the jobs on the proper steps in the flight of stairs. The Salary Schedule provides rate ranges which are the bottom and top for each "step" or rate range. To adjust the Salary Schedule general pay level, all that is necessary is to adjust the level of the flight of stairs.

The entire Salary Administration Plan must be reviewed and audited from time to time to keep it up to date and adapted to changes

in job content, new jobs, general economic conditions, etc. Hence, the Personnel Board is given the specific duty to review all factors affecting the pay level and to make such recommendations to the Town as may seem desirable in order to maintain at all times a fair and equitable general pay level in keeping with general economic conditions.

Vacations and holidays with pay, sick leave and workmen's compensation and the like are in effect "indirect pay" and are a part of a good Salary Administration Plan. The proposed By-law incorporates various such practices and policies.

III. The Personnel Board

In business, it has been learned that there must be a Personnel Department, or Salary Committee, to interpret and operate a salary administration plan in order to be sure that all actions taken by all the various departments of a company are in accordance with the Plan. This is equally important in a town and hence salary administration plans for municipalities provide Personnel Boards to administer the plans and to be sure that there is uniform interpretation and application throughout the entire town.

In order for the Salary Administration Plan to be of maximum assistance to department heads and town officials, the Personnel Board should have reasonable power to act. Otherwise, the Salary Administration Plan may be too rigid and might well hamper the various department heads and injure the services of the Town. Therefore, the duties of the proposed Personnel Board provide what is considered a desirable degree of flexibility. Moreover, when a new plan is first put into operation, it must be anticipated that certain adjustments may be necessary, especially during the first year.

The function of the Personnel Board is to represent BOTH the taxpayers and the employees of the Town. There is a fair and equitable balance point for the mutual interest of both groups. The ideal is that the Personnel Board be composed of broad gauge and impartial citizens who will feel they are representing the ENTIRE Town and who will take into consideration the various viewpoints, interests and matters that concern the various groups of citizens.

ADVANTAGES OF A SALARY ADMINISTRATION PLAN

1. For the Town as a Whole

(a) There will be a definite pay structure, and Town officials can more readily determine how the general pay level compares with similar positions outside the service of the Town.

(b) There will be a definite basis for granting pay increases, and assurance that all personnel are being treated alike, and paid alike, for equal demand of work.

(c) Hiring procedures and results will be improved. People like to know what they can expect and count on.

(d) There will be more dependable facts, on which to base action on pay problems.

2. For the Department Heads and Town Officials

(a) Better preparation and planning of budgets will be possible.

(b) They will be freed from pressure for increases, because the Plan establishes the program.

(c) Personnel procedures will be helped as a result of the continuing job studies, the establishment of Town-wide policies, etc.

(d) They will have the advantage of being able to confer with a Personnel Board on matters related to pay, jobs, etc., similar to the benefits experienced in a company with a Personnel Department.

3. For the Town Employees

(a) They will know just where they stand, and will be protected against either prejudice or favoritism, if any such should ever exist in the Town.

(b) Financially, they will know just what to expect, and can have as much assurance as possible that they are being paid in proper relation to other Town personnel and comparable jobs outside the service of the Town.

(c) They will be assured that there is a uniform and consistent treatment for ALL Town personnel throughout all the several departments.

(d) Under the proposed Plan, if any ever feel that they are being treated unfairly in pay matters, or have related questions, they will have the opportunity to take the matters up with the Personnel Board.

THE SALARY SCHEDULE AND RECOMMENDED PAY ADJUSTMENTS

When a salary plan is adopted the first procedure is to get all present covered employees on a step rate of the rate ranges. The recommended pay adjustments do this, and also, in most instances, include an additional increase. This the Committee believes is in order in view of general economic conditions and action on wages in other towns and in business. For part time jobs, and other jobs shown in the General Group, increases are recommended in many instances. For some jobs it is felt that further study by the Personnel Board should be made before the rate of pay is changed.

In most instances there will also be one step rate above the step rate on which the recommended pay adjustments locate employees, to which they can advance in accordance with the provisions of the Salary Administration Plan and the recommendation in the following paragraph.

This will mean that the Salary Schedule as presented will be fair and adequate for some time to come.

In working out the recommended increases the Committee had to decide whether to recommend that the Plan become operative as of April 1, 1956, or whether to make the first start in adjustment of rates as of November 1, 1955. After viewing all the circumstances very thoroughly, the Committee came to the conclusion that those who served the Town should not be asked to wait until April 1, 1956, but that the Plan should go into effect as of November 1, 1955, and that the recommended increases should become effective as of that date, with the understanding, however, that the provisions of the Plan regarding step rate increases become operative as of April 1, 1956, and that April 1, 1956 be the anniversary date for such increases. This means that one year from April 1, 1956 employees will be eligible for consideration for a step rate increase, unless they are already at the top of their rate range.

In the case of Mr. Walter Offutt, Cemetery Superintendent, the Committee feels that he has rendered such outstanding service in giving the Town one of the best kept and operated cemeteries in the state, that it recommends that he go to the maximum of the rate range for Superintendent-Cemetery. In a few other instances, employees were taken to the maximum rate in order to give them an increase now.

INSTALLATION PROCEDURES

If the Town approves the Plan a motion covering the following points will be made in order to get the Plan into operation.

(1) The compensation of the present town employees shall be as set forth in the departmental pay schedules worked out by the Job Classification Committee, in order to put all present employees in step with the Salary Administration Plan, effective as of November 1, 1955, and shall be payable when said departmental pay schedules are certified to the respective department heads by the Job Classification Committee acting as an Interim Personnel Board. April 1, 1956 the provisions of the Plan regarding step rate increases shall become operative and one year thereafter employees shall be eligible for consideration for a one step rate increase, unless they are already at the top of their rate range.

(2) Pending appointment an organization of the Personnel Board, the Job Classification Committee shall be empowered to function as an Interim Personnel Board, and shall automatically cease so to function on the date of the organization of the Personnel Board. If, pending the appointment and organization of the Personnel Board, any questions shall arise, they shall be determined by said Job Classification Committee.

SALARY ADMINISTRATION PLAN

Preamble

This by-law establishes a Salary Administration Plan, hereinafter called the "Plan," which classifies the several positions in the town services into groups, establishes salary schedules; establishes so-called "fringe" benefits, or "indirect pay" provisions, such as holidays and vacations with pay, sick leave, and the like; and establishes a Personnel Board to administer the Plan, as hereinafter provided, and to represent the interest of both taxpayers and town employees.

Section 1. Classification Schedule

The positions of all officers and employees in the service of the town, whether full time, part time, temporary, seasonal, special, casual, Civil Service, or any others, other than those positions filled by popular election and those under the direction and control of the School Committee, are hereby classified by titles in the groups listed in Schedule A, entitled "Classification Schedule," as set forth in Section 20 of this by-law.

Section 2. Titles of Positions

No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the Salary Administration Plan under any title other than those of the Classification Schedule, or under any title other than that of the job the duties of which are actually performed. The job title in the Classification Schedule of the Plan shall be the official title for all purposes having to do with the position and shall be used to designate the position in all payrolls, budget estimates and official reports, and in every other connection involving personnel and fiscal processes.

Section 3. New or Changed Positions

Whenever a new position is established, or the duties of an existing position are so changed that a new level of work demand exists and in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall rate such new or changed position and allocate it to its appropriate group and establish the rate range therefor.

Section 4. Reclassification of Employees

No employee may be reclassified to a job in another group, either higher or lower, until the Personnel Board shall have determined such a reclassification will be consistent with the provisions of the Salary Administration Plan.

Section 5. Job Descriptions and Interpretations

The Personnel Board shall maintain written job descriptions of the jobs or positions in the Classification Schedule of the Plan, each consisting of a statement describing the essential nature of the work characteristics of the position that distinguish the position from other positions. The description for any position shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

Section 6. Salary Schedule

The Salary Schedule of the Salary Administration Plan, set forth as Schedule B in Section 21 of this by-law, shall consist of the maximum and minimum salaries, step-rate salaries, or single rate salaries for the groups and positions in the Classification Schedule. The salary range of a group shall be the salary range for all positions classified in such group.

Irrespective of the period of time for which pay rates may be shown in the Salary Schedule, all employees shall continue to be paid on an hourly, weekly, monthly, or other basis, as at present, unless otherwise authorized by the Personnel Board or by amendment of the Salary Administration Plan.

Section 7. Salary Rates above Maximum

Any salary rate which is above the maximum rate for a job, as established by this Salary Administration Plan, shall be deemed to be a personal rate, and apply only to the incumbent. When such incumbent leaves the employ of the town or is transferred to another job with a higher maximum rate than his personal rate or higher maximum rates are established, the personal rate shall disappear. No other employee assigned to, or hired for, such job shall advance beyond the maximum of the job.

Section 8. Adjustment Policies

(a) Every employee subject to this plan who is in the continuous full time service of the town, computed from the date of his latest employment, and who has a satisfactory performance record, shall be eligible annually, one year from the date of the latest increase, for consideration for advance to the next higher step rate, but not more than one step rate in any one twelve-month period, until the maximum for his job is reached, subject to the approval of his department head and the Personnel Board. Any employee denied such an increase has the right of appeal to the Personnel Board, which shall confer with both the employee and the department head, and shall decide the matter. All adjustments shall be approved in advance by the Personnel Board.

(b) Regular part time employees, for whose positions step rates are provided, shall be eligible for consideration for increases on the same basis as provided for full time personnel in clause (a) of this section. Special, casual and other part time personnel, for whose positions there is a single rate, shall not be eligible for step rate increases.

Section 9. Transfers and Promotions

(a) When an employee is promoted to a job with a higher rate range, or rate of pay, he shall enter it at the minimum of the job rate range or at his own rate, whichever is the higher, but in no event at a rate in excess of the maximum for such job. He may also receive at the time a one step rate increase, provided the maximum for the job is not exceeded, if the department head recommends that qualifications and performance warrant it, and the Personnel Board approves. If the department head should feel that there should be a trial period before recommending the promotional one step rate increase, on recommendation of the department head the Personnel Board may approve such a deferred promotional increase at the conclusion of the trial period.

(b) If an employee is transferred to a job with a lower rate range, or rate of pay, he shall enter it at his own rate or at the maximum rate for the job, whichever is the lower, providing the Personnel Board approves. The employee shall have the right of appeal to the Personnel Board and to be heard thereon, and the Personnel Board shall decide the matter.

Section 10. New Personnel

(a) The hiring rate shall be the minimum of the rate range of the job for which the new employee is hired, unless otherwise authorized by the Personnel Board. Department heads shall notify the Personnel Board of the hiring of all new personnel and their hiring rates.

(b) For new regular full time, and new regular part time personnel for whose positions there is a rate range and step rates, the first six months of employment shall be a probationary period, at the end of which the employee may advance one step rate, provided the department head and the Personnel Board decide his performance warrants it. Otherwise, he shall be eligible for consideration after one year of continuous service. This probationary step rate increase shall apply only at the start of employment, and shall not apply in case of transfer or promotion from one job to another.

Section 11. Department Budgets

Each department head shall include in the annual budget a pay adjustment section to provide funds for anticipated pay adjustments during the ensuing year, expenditures to be made therefrom only in accordance with the Salary Administration Plan with the approval of the Personnel Board.

Section 12. "Fringe" Benefits

So-called "fringe" benefits, such as holidays and vacations with pay, sick leave, and other such matters, are a cost item to the town and a form of "indirect pay," and included in the coverage of the Salary Administration Plan, both those included in the Plan at its adoption and any others which may be included in the future.

A. Holidays with Pay

(1) All regular full time employees shall receive one day at

regular straight time pay for the following state legal holidays — New Year's Day, Washington's Birthday, Patriot's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas; provided they fall on, or are observed on, a regularly scheduled work day. If such a holiday should fall on a Saturday the holiday pay shall be the amount the employee would normally receive for the amount of work, if any, performed on such a Saturday.

(2) To be eligible for such holiday pay an employee shall have worked on the regularly scheduled work day next preceding, and shall have worked, or have satisfactorily presented himself for work, on the regularly scheduled work day next following the holiday.

(3) In the case of Police Department, or other departments, whose personnel is subject to duty seven days a week, those regular employees who are assigned to duty on the holiday shall receive a compensatory day off, or a normal day's pay, at the discretion of the department head. Details as to administrative policies and practices relative to holidays with pay shall be as prepared and established under the direction of the Personnel Board.

B. Vacations with Pay

(1) Employees who have been in the continuous full time service of the town not less than six months but less than one year as of July 1 shall be entitled to one week of vacation with one regular week's pay.

(2) Employees who have been in the continuous full time service of the town for at least one year as of July 1 shall be entitled to two weeks' vacation with two regular weeks' pay.

(3) Vacations shall be granted by the department heads at such time as, in their opinion, will cause the least interference with the performance of the regular work of the departments. Vacations must be taken in the year in which they are due, and shall not accumulate from year to year.

(4) If, in the opinion of the department head, there are unusual circumstances which warrant it, an employee may, upon request, continue at work and receive vacation pay in lieu of his vacation.

(5) In the event of termination of employment which is caused through no fault of the employee, or by reason of retirement, the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation at the rate of one day's regular pay for each month since the employee's preceding vacation, not to exceed two weeks' pay. In the event of the death of an employee, any accumulated vacation pay shall be paid to his estate.

(6) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board. Call personnel of the Fire Department shall be entitled to take vacations on the above basis without loss of pay.

C. Sick Leave

(1) All regular full time employees shall be entitled to ten days' sick leave per year with pay, accumulative for a period of three years' continuous service or a maximum of thirty days. In no case shall payment exceed thirty days' compensation in any single year. Sick leave shall be payable only in cases of bona fide illness or non-work-connected accident.

(2) Employees who because of sickness, or non-work-connected accident, are absent for a period of more than two days shall be required to present a doctor's certificate to their department head stating reason and period of time employee will be absent from his work. The above section is not to be construed by any employee or department head for time off or for any sickness caused by over-indulgence in alcohol or narcotics or by his or her misconduct.

(3) Details as to sick leave administrative policies and practices shall be as prepared and established under the direction of the Personnel Board.

D. Workmen's Compensation

Present practices now followed by the town related to Workmen's Compensation shall continue unchanged.

E. Military Leave

Employees who may be in the National Guard or in the Armed Services Reserve shall not receive compensation while on temporary military duty, military training and the like, but instead of being required to use their vacation allowance for such military activity, they shall receive the vacation to which they are entitled.

F. Jury Duty

If an employee is called to jury duty he shall receive an amount equal to the difference between his normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

Section 13. Leaves of Absence

Leaves of absence for valid reasons may be granted by a department head but shall be without compensation. Leaves of absence may not be granted to seek other employment.

Leaves of absence of over three months duration, except military leave, shall be considered a break in employment and on return to work the employee shall have the status of a new employee, unless an extension of leave beyond three months has been authorized by the Personnel Board.

Section 14. Personnel Board

There shall be a Personnel Board to administer the Salary Administration Plan, said Board to be appointed by the Moderator, consisting of three voters other than employees of the town or those regularly serving the town in any elective or appointive capacity. They shall serve without compensation.

When the Personnel Board is first constituted, the Moderator shall appoint one member to serve until May 31, 1958, one to serve until May 31, 1957, and one to serve until May 31, 1956. All subsequent appointments shall be for three years. Any vacancies shall be filled by the Moderator. All members shall continue to hold office until their successors have been appointed and qualified. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

Section 15. Duties of the Personnel Board

(a) The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of such Plan.

(b) The Board shall annually, in June, meet and organize by the choice of a Chairman and Clerk. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

(c) The Personnel Board shall maintain records of all employees subject to this Plan, including therein such information as it deems desirable, said records to be kept by the Town Accountant, under the direction of the Board. Department heads shall furnish such information as shall be requested by the Board. The Town Accountant shall also check on matters covered by the Plan and shall bring any deviations to the attention of the Board prior to payment.

(d) The Personnel Board, from time to time, shall review the work of all positions subject to the Salary Administration Plan. Such reviews shall be so scheduled as to cover all such positions at intervals of not more than three years. The Personnel Board may tentatively add a new position to the Classification Schedule or reclassify an existing position to a different group either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next annual town meeting.

(e) The Personnel Board shall, from time to time, review the Salary Schedule and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the service of the town, and shall recommend to the town any action which it deems desirable to maintain a fair and equitable pay level.

(f) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, said Board may authorize an entrance rate higher than the minimum rate for a position, and such other variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the town, and to effectuate the basic intent of the Plan.

(g) The Personnel Board shall make an annual report to the town, including recommendations on any matters related to the Plan which it feels should be considered by the town.

Section 16. Employees and the Personnel Board

All employees shall have the right to request an appointment to confer with the Board on any matter which is of interest or concern to them and which is covered by the Salary Administration Plan. As a matter of courtesy to the department head, the employee shall notify him in advance of his desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and goodwill with the personnel of the town.

To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, he shall first discuss the matter with his department head, in a mutual effort to clear up any problems or misunderstanding.

If two weeks after such a conference, a satisfactory understanding and solution of the problem has not been reached, then either the department head or the employee may take the matter to the Board. The Board shall hear the parties not later than its next regular meeting. There shall be no discrimination or prejudice by any department head against any employee who may take a matter to the Board.

Section 17. Amendment of the Plan

The Salary Administration Plan may be amended in the same manner in which the town by-laws may be amended; provided, however, that no amendment to the Plan shall be made until it has been presented by signed petition addressed to and submitted to the Personnel Board, and acted upon by the Board. Upon receipt of such a written petition the Board, after giving the petitioners, the heads of departments and employees affected at least three days' written notice, shall hold a hearing of the parties interested to consider the proposed amendment. If the Personnel Board shall approve any such proposed amendment, it shall take the proper steps to bring the proposed amendment before the next annual town meeting for its consideration and action. If the Personnel Board shall disapprove any such proposed amendment, and failure to act thereon within fifteen days after the hearing shall be deemed disapproval, the petition may then be presented to the next annual town meeting for its consideration and action, if so desired. The Board of its own motion, after a similar hearing and/or conference with parties interested, may propose an amendment to the Plan.

Section 18. Civil Service Law

Nothing in this by-law, or in the Salary Administration Plan, shall be construed to conflict with Chapter 31 of the General Laws, which is the Chapter dealing with the Civil Service Laws.

Section 19. Separability Provision

In the event that any provision of this by-law, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this by-law.

REPORT

OF THE

JOB CLASSIFICATION COMMITTEE

TOWN OF SOUTHBOROUGH

INCORPORATED
JULY 6, 1727.

JOB CLASSIFICATION COMMITTEE

JOHN HILL, Chairman

HOWARD E. GOFF　　FRANCIS PESSINI

REPORT OF THE JOB CLASSIFICATION COMMITTEE

The Job Classification Committee authorized by the Special Town Meeting held on May 9, 1955, herewith submits its report.

The Committee's function was to study the jobs performed by Town Employees, to rank them based on an accepted rating scale and to set up an equitable pay scale, the maximum rates to be reached by periodic step rate increases. The Committee has also prepared a plan of administration. The entire Salary Administration Plan is incorporated in a By-law to be considered at a Special Town Meeting to be held on October 24, 1955. Authorization for the Town to act on this proposed By-law is covered in Sections 108A and 108C of Chapter 41 of the General Laws.

The Committee wishes to express its thanks to the many town employees, members of Boards, Commissions and Committees, and Town Counsel, who have cooperated with our Committee in completing our assignment. The Committee was most fortunate in obtaining the services of Samuel P. Allison of Wellesley, as a consultant. Mr. Allison is a recognized authority on job classification and salary administration in both the industrial and municipal fields.

Under Sections 108A and 108C of Chapter 41 of the General Laws of Massachusetts, a town is permitted by by-law to establish a plan classifying town positions, other than those filled by popular election and those under the direction and control of the School Committee (though on request of those in such positions, they may be included) and to establish minimum and maximum salaries, and step rates, for these positions, and to consolidate this plan and all personnel administration procedures of the town into one by-law. This by-law does not require prior approval of the Attorney General.

All employees of the town are entitled to fair and impartial handling of the wage and salary problem. The taxpayers should be able to feel that the level of wages and salaries is adequate, but not excessive. These two objectives are quite consistent with each other and will, in the opinion of the Committee, be attained through the Salary Administration Plan provided for by the by-law. Many towns in Massachusetts have adopted such a Plan and have found it successful. The Committee believes it will be equally successful in Southborough.

WHAT THE SALARY ADMINISTRATION PLAN IS AND HOW IT WORKS

The Salary Administration Plan is a program for treating every employee of the town, regardless of the department in which he or she works, as nearly like every other employee as is humanly possible, under similar circumstances, with respect to rates of pay, so-called "fringe benefits," and the like.

Basic Principles

1. Every employee's job is fairly rated with due regard to all the requirements and conditions which make one job worth more or less than another job.

2. Every employee will be paid what his job is worth in comparison with every other job.

3. When pay increases are allowed by the town, all employees will get equal consideration.

4. A Personnel Board will have the responsibility of carrying out what the Town Meeting votes in the way of wages and salaries, raises, holidays and vacation with pay, sick leave and other matters covered by the Plan.

5. Every town employee will have the right to go to the Personnel Board to present his side of a question regarding wages and other matters covered by the Plan. Section 16 of the proposed by-law prescribes a method by which any employee may process a grievance without prejudice.

6. Any employee not satisfied after taking a case to the Personnel Board can submit the case to the town meeting.

The Plan Explained

The Salary Administration Plan provided for in the proposed by-law will give Southborough a plan based on the most up-to-date and proved techniques and procedures of salary determination and administration. It will provide a simple and orderly procedure for handling such problems as the town grows.

The Plan will put compensation and related matters on a business basis, but for maximum results the underlying principles and thinking must be thoroughly understood. To help accomplish this purpose, this statement puts the precise, technical and legal terminology of the by-law into simple, every-day, layman's language.

The Plan consists of three parts: (1) The Classification Schedule, (2) The Salary Schedule and (3) The Personnel Board.

I. The Classification Schedule

In the Classification Schedule the town jobs appear in the order of their relative job demands and requirements, grouped into "Job Groups." This is like putting the jobs on **a flight of stairs,** with the jobs rating lower on the lower steps, and those with the higher ratings on the upper steps. The stair treads represent the Job Groups and the risers represent the differentials betwen the jobs or Job Groups.

The Job Group into which each job falls was determined by measuring each job in terms of its requirements for such components (or job factors) as job knowledge, skill, responsibility, effort, working conditions, etc. The Job Rating Plans used are widely used and accepted over the country by employees and employers and in many municipalities.

Jobs were not compared with each other as a whole or directly. Thus, it was not said, "This job is worth more than that job, so let's rank it higher."

Nor were jobs compared on the basis of job titles. Jobs may sound very similar from their titles, but actually differ as to duties and job demand. On the other hand, some job titles may sound unlike but the actual job demands may be similar.

Instead, as the components of each job were measured, each component received a certain number of points. The sum of these points is the point score or "rating" for the job. Only after this work was done, was it known how the jobs would rank in relation to each other.

The Classification Schedule is the basis for the Salary Schedule, for salaries cannot be established properly until the relationship of the jobs is known, and the differentials established.

II. The Salary Schedule

After the jobs were located on the proper steps, the next thing was to "price" them, and to establish rate ranges for each Job Group. This rate range is the rate range also for each job in the Group.

A rate range consists of a "minimum," which is the normal "starting rate" or "entrance rate"; and a "maximum," which is the "top rate" for the job. The Plan provides that a new full time employee will be on a probationary basis for the first six months and, if satisfactory service has been rendered, may then receive the first step-rate increase. From then on, he will come up annually, one year from the date of the latest increase, for consideration for the next upward step until the top rate is attained.

When a new job is created, or the duties of an existing job changed so that in effect there is a new job created, the procedure is to rate the new job or the changed existing job. This allocates the job to the proper job group and automatically sets the rate for the new or changed job.

The rate ranges, and single rates for various part time jobs, have been established on the basis (1) of a survey of rates in nearby communities, and, (2) of wide information on rates being paid for comparable work in business and in other municipalities in general.

It must be kept clearly in mind that the "top job rates" or "maxima" are never frozen. The maximum for a job, or Job Group, is simply the top rate at the time. The Classification Schedule puts the jobs on the proper steps in the flight of stairs. The Salary Schedule provides rate ranges which are the bottom and top for each "step" or rate range. To adjust the Salary Schedule general pay level, all that is necessary is to adjust the level of the flight of stairs.

The entire Salary Administration Plan must be reviewed and audited from time to time to keep it up to date and adapted to changes

in job content, new jobs, general economic conditions, etc. Hence, the Personnel Board is given the specific duty to review all factors affecting the pay level and to make such recommendations to the Town as may seem desirable in order to maintain at all times a fair and equitable general pay level in keeping with general economic conditions.

Vacations and holidays with pay, sick leave and workmen's compensation and the like are in effect "indirect pay" and are a part of a good Salary Administration Plan. The proposed By-law incorporates various such practices and policies.

III. The Personnel Board

In business, it has been learned that there must be a Personnel Department, or Salary Committee, to interpret and operate a salary administration plan in order to be sure that all actions taken by all the various departments of a company are in accordance with the Plan. This is equally important in a town and hence salary administration plans for municipalities provide Personnel Boards to administer the plans and to be sure that there is uniform interpretation and application throughout the entire town.

In order for the Salary Administration Plan to be of maximum assistance to department heads and town officials, the Personnel Board should have reasonable power to act. Otherwise, the Salary Administration Plan may be too rigid and might well hamper the various department heads and injure the services of the Town. Therefore, the duties of the proposed Personnel Board provide what is considered a desirable degree of flexibility. Moreover, when a new plan is first put into operation, it must be anticipated that certain adjustments may be necessary, especially during the first year.

The function of the Personnel Board is to represent BOTH the taxpayers and the employees of the Town. There is a fair and equitable balance point for the mutual interest of both groups. The ideal is that the Personnel Board be composed of broad gauge and impartial citizens who will feel they are representing the ENTIRE Town and who will take into consideration the various viewpoints, interests and matters that concern the various groups of citizens.

ADVANTAGES OF A SALARY ADMINISTRATION PLAN

1. For the Town as a Whole

(a) There will be a definite pay structure, and Town officials can more readily determine how the general pay level compares with similar positions outside the service of the Town.

(b) There will be a definite basis for granting pay increases, and assurance that all personnel are being treated alike, and paid alike, for equal demand of work.

(c) Hiring procedures and results will be improved. People like to know what they can expect and count on.

(d) There will be more dependable facts, on which to base action on pay problems.

2. For the Department Heads and Town Officials

(a) Better preparation and planning of budgets will be possible.

(b) They will be freed from pressure for increases, because the Plan establishes the program.

(c) Personnel procedures will be helped as a result of the continuing job studies, the establishment of Town-wide policies, etc.

(d) They will have the advantage of being able to confer with a Personnel Board on matters related to pay, jobs, etc., similar to the benefits experienced in a company with a Personnel Department.

3. For the Town Employees

(a) They will know just where they stand, and will be protected against either prejudice or favoritism, if any such should ever exist in the Town.

(b) Financially, they will know just what to expect, and can have as much assurance as possible that they are being paid in proper relation to other Town personnel and comparable jobs outside the service of the Town.

(c) They will be assured that there is a uniform and consistent treatment for ALL Town personnel throughout all the several departments.

(d) Under the proposed Plan, if any ever feel that they are being treated unfairly in pay matters, or have related questions, they will have the opportunity to take the matters up with the Personnel Board.

THE SALARY SCHEDULE AND RECOMMENDED PAY ADJUSTMENTS

When a salary plan is adopted the first procedure is to get all present covered employees on a step rate of the rate ranges. The recommended pay adjustments do this, and also, in most instances, include an additional increase. This the Committee believes is in order in view of general economic conditions and action on wages in other towns and in business. For part time jobs, and other jobs shown in the General Group, increases are recommended in many instances. For some jobs it is felt that further study by the Personnel Board should be made before the rate of pay is changed.

In most instances there will also be one step rate above the step rate on which the recommended pay adjustments locate employees, to which they can advance in accordance with the provisions of the Salary Administration Plan and the recommendation in the following paragraph.

This will mean that the Salary Schedule as presented will be fair and adequate for some time to come.

In working out the recommended increases the Committee had to decide whether to recommend that the Plan become operative as of April 1, 1956, or whether to make the first start in adjustment of rates as of November 1, 1955. After viewing all the circumstances very thoroughly, the Committee came to the conclusion that those who served the Town should not be asked to wait until April 1, 1956, but that the Plan should go into effect as of November 1, 1955, and that the recommended increases should become effective as of that date, with the understanding, however, that the provisions of the Plan regarding step rate increases become operative as of April 1, 1956, and that April 1, 1956 be the anniversary date for such increases. This means that one year from April 1, 1956 employees will be eligible for consideration for a step rate increase, unless they are already at the top of their rate range.

In the case of Mr. Walter Offutt, Cemetery Superintendent, the Committee feels that he has rendered such outstanding service in giving the Town one of the best kept and operated cemeteries in the state, that it recommends that he go to the maximum of the rate range for Superintendent-Cemetery. In a few other instances, employees were taken to the maximum rate in order to give them an increase now.

INSTALLATION PROCEDURES

If the Town approves the Plan a motion covering the following points will be made in order to get the Plan into operation.

(1) The compensation of the present town employees shall be as set forth in the departmental pay schedules worked out by the Job Classification Committee, in order to put all present employees in step with the Salary Administration Plan, effective as of November 1, 1955, and shall be payable when said departmental pay schedules are certified to the respective department heads by the Job Classification Committee acting as an Interim Personnel Board. April 1, 1956 the provisions of the Plan regarding step rate increases shall become operative and one year thereafter employees shall be eligible for consideration for a one step rate increase, unless they are already at the top of their rate range.

(2) Pending appointment an organization of the Personnel Board, the Job Classification Committee shall be empowered to function as an Interim Personnel Board, and shall automatically cease so to function on the date of the organization of the Personnel Board. If, pending the appointment and organization of the Personnel Board, any questions shall arise, they shall be determined by said Job Classification Committee.

SALARY ADMINISTRATION PLAN

Preamble

This by-law establishes a Salary Administration Plan, hereinafter called the "Plan," which classifies the several positions in the town services into groups, establishes salary schedules; establishes so-called "fringe" benefits, or "indirect pay" provisions, such as holidays and vacations with pay, sick leave, and the like; and establishes a Personnel Board to administer the Plan, as hereinafter provided, and to represent the interest of both taxpayers and town employees.

Section 1. Classification Schedule

The positions of all officers and employees in the service of the town, whether full time, part time, temporary, seasonal, special, casual, Civil Service, or any others, other than those positions filled by popular election and those under the direction and control of the School Committee, are hereby classified by titles in the groups listed in Schedule A, entitled "Classification Schedule," as set forth in Section 20 of this by-law.

Section 2. Titles of Positions

No person shall be appointed, employed or paid as an employee in any position subject to the provisions of the Salary Administration Plan under any title other than those of the Classification Schedule, or under any title other than that of the job the duties of which are actually performed. The job title in the Classification Schedule of the Plan shall be the official title for all purposes having to do with the position and shall be used to designate the position in all payrolls, budget estimates and official reports, and in every other connection involving personnel and fiscal processes.

Section 3. New or Changed Positions

Whenever a new position is established, or the duties of an existing position are so changed that a new level of work demand exists and in effect a new position is created, upon presentation of substantiating data satisfactory to the Personnel Board, the Board shall rate such new or changed position and allocate it to its appropriate group and establish the rate range therefor.

Section 4. Reclassification of Employees

No employee may be reclassified to a job in another group, either higher or lower, until the Personnel Board shall have determined such a reclassification will be consistent with the provisions of the Salary Administration Plan.

Section 5. Job Descriptions and Interpretations

The Personnel Board shall maintain written job descriptions of the jobs or positions in the Classification Schedule of the Plan, each consisting of a statement describing the essential nature of the work characteristics of the position that distinguish the position from other positions. The description for any position shall be construed solely as a means of identification and not as prescribing what the duties or responsibilities of any position shall be, or as modifying, or in any way affecting, the power of any administrative authority, as otherwise existing, to appoint, to assign duties to, or to direct and control the work of any employee under the jurisdiction of such authority.

Section 6. Salary Schedule

The Salary Schedule of the Salary Administration Plan, set forth as Schedule B in Section 21 of this by-law, shall consist of the maximum and minimum salaries, step-rate salaries, or single rate salaries for the groups and positions in the Classification Schedule. The salary range of a group shall be the salary range for all positions classified in such group.

Irrespective of the period of time for which pay rates may be shown in the Salary Schedule, all employees shall continue to be paid on an hourly, weekly, monthly, or other basis, as at present, unless otherwise authorized by the Personnel Board or by amendment of the Salary Administration Plan.

Section 7. Salary Rates above Maximum

Any salary rate which is above the maximum rate for a job, as established by this Salary Administration Plan, shall be deemed to be a personal rate, and apply only to the incumbent. When such incumbent leaves the employ of the town or is transferred to another job with a higher maximum rate than his personal rate or higher maximum rates are established, the personal rate shall disappear. No other employee assigned to, or hired for, such job shall advance beyond the maximum of the job.

Section 8. Adjustment Policies

(a) Every employee subject to this plan who is in the continuous full time service of the town, computed from the date of his latest employment, and who has a satisfactory performance record, shall be eligible annually, one year from the date of the latest increase, for consideration for advance to the next higher step rate, but not more than one step rate in any one twelve-month period, until the maximum for his job is reached, subject to the approval of his department head and the Personnel Board. Any employee denied such an increase has the right of appeal to the Personnel Board, which shall confer with both the employee and the department head, and shall decide the matter. All adjustments shall be approved in advance by the Personnel Board.

(b) Regular part time employees, for whose positions step rates are provided, shall be eligible for consideration for increases on the same basis as provided for full time personnel in clause (a) of this section. Special, casual and other part time personnel, for whose positions there is a single rate, shall not be eligible for step rate increases.

Section 9. Transfers and Promotions

(a) When an employee is promoted to a job with a higher rate range, or rate of pay, he shall enter it at the minimum of the job rate range or at his own rate, whichever is the higher, but in no event at a rate in excess of the maximum for such job. He may also receive at the time a one step rate increase, provided the maximum for the job is not exceeded, if the department head recommends that qualifications and performance warrant it, and the Personnel Board approves. If the department head should feel that there should be a trial period before recommending the promotional one step rate increase, on recommendation of the department head the Personnel Board may approve such a deferred promotional increase at the conclusion of the trial period.

(b) If an employee is transferred to a job with a lower rate range, or rate of pay, he shall enter it at his own rate or at the maximum rate for the job, whichever is the lower, providing the Personnel Board approves. The employee shall have the right of appeal to the Personnel Board and to be heard thereon, and the Personnel Board shall decide the matter.

Section 10. New Personnel

(a) The hiring rate shall be the minimum of the rate range of the job for which the new employee is hired, unless otherwise authorized by the Personnel Board. Department heads shall notify the Personnel Board of the hiring of all new personnel and their hiring rates.

(b) For new regular full time, and new regular part time personnel for whose positions there is a rate range and step rates, the first six months of employment shall be a probationary period, at the end of which the employee may advance one step rate, provided the department head and the Personnel Board decide his performance warrants it. Otherwise, he shall be eligible for consideration after one year of continuous service. This probationary step rate increase shall apply only at the start of employment, and shall not apply in case of transfer or promotion from one job to another.

Section 11. Department Budgets

Each department head shall include in the annual budget a pay adjustment section to provide funds for anticipated pay adjustments during the ensuing year, expenditures to be made therefrom only in accordance with the Salary Administration Plan with the approval of the Personnel Board.

Section 12. "Fringe" Benefits

So-called "fringe" benefits, such as holidays and vacations with pay, sick leave, and other such matters, are a cost item to the town and a form of "indirect pay," and included in the coverage of the Salary Administration Plan, both those included in the Plan at its adoption and any others which may be included in the future.

A. Holidays with Pay

(1) All regular full time employees shall receive one day at

regular straight time pay for the following state legal holidays — New Year's Day, Washington's Birthday, Patriot's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, and Christmas; provided they fall on, or are observed on, a regularly scheduled work day. If such a holiday should fall on a Saturday the holiday pay shall be the amount the employee would normally receive for the amount of work, if any, performed on such a Saturday.

(2) To be eligible for such holiday pay an employee shall have worked on the regularly scheduled work day next preceding, and shall have worked, or have satisfactorily presented himself for work, on the regularly scheduled work day next following the holiday.

(3) In the case of Police Department, or other departments, whose personnel is subject to duty seven days a week, those regular employees who are assigned to duty on the holiday shall receive a compensatory day off, or a normal day's pay, at the discretion of the department head. Details as to administrative policies and practices relative to holidays with pay shall be as prepared and established under the direction of the Personnel Board.

B. Vacations with Pay

(1) Employees who have been in the continuous full time service of the town not less than six months but less than one year as of July 1 shall be entitled to one week of vacation with one regular week's pay.

(2) Employees who have been in the continuous full time service of the town for at least one year as of July 1 shall be entitled to two weeks' vacation with two regular weeks' pay.

(3) Vacations shall be granted by the department heads at such time as, in their opinion, will cause the least interference with the performance of the regular work of the departments. Vacations must be taken in the year in which they are due, and shall not accumulate from year to year.

(4) If, in the opinion of the department head, there are unusual circumstances which warrant it, an employee may, upon request, continue at work and receive vacation pay in lieu of his vacation.

(5) In the event of termination of employment which is caused through no fault of the employee, or by reason of retirement, the employee shall be paid, or be entitled to time off with pay, for any accumulated vacation at the rate of one day's regular pay for each month since the employee's preceding vacation, not to exceed two weeks' pay. In the event of the death of an employee, any accumulated vacation pay shall be paid to his estate.

(6) Vacation administrative policies and practices shall be prepared and established under the direction of the Personnel Board. Call personnel of the Fire Department shall be entitled to take vacations on the above basis without loss of pay.

C. Sick Leave

(1) All regular full time employees shall be entitled to ten days' sick leave per year with pay, accumulative for a period of three years' continuous service or a maximum of thirty days. In no case shall payment exceed thirty days' compensation in any single year. Sick leave shall be payable only in cases of bona fide illness or non-work-connected accident.

(2) Employees who because of sickness, or non-work-connected accident, are absent for a period of more than two days shall be required to present a doctor's certificate to their department head stating reason and period of time employee will be absent from his work. The above section is not to be construed by any employee or department head for time off or for any sickness caused by over-indulgence in alcohol or narcotics or by his or her misconduct.

(3) Details as to sick leave administrative policies and practices shall be as prepared and established under the direction of the Personnel Board.

D. Workmen's Compensation

Present practices now followed by the town related to Workmen's Compensation shall continue unchanged.

E. Military Leave

Employees who may be in the National Guard or in the Armed Services Reserve shall not receive compensation while on temporary military duty, military training and the like, but instead of being required to use their vacation allowance for such military activity, they shall receive the vacation to which they are entitled.

F. Jury Duty

If an employee is called to jury duty he shall receive an amount equal to the difference between his normal compensation and the amount (excluding any travel allowance) received from the court, upon presentation of evidence of the amount paid by the court.

Section 13. Leaves of Absence

Leaves of absence for valid reasons may be granted by a department head but shall be without compensation. Leaves of absence may not be granted to seek other employment.

Leaves of absence of over three months duration, except military leave, shall be considered a break in employment and on return to work the employee shall have the status of a new employee, unless an extension of leave beyond three months has been authorized by the Personnel Board.

Section 14. Personnel Board

There shall be a Personnel Board to administer the Salary Administration Plan, said Board to be appointed by the Moderator, consisting of three voters other than employees of the town or those regularly serving the town in any elective or appointive capacity. They shall serve without compensation.

When the Personnel Board is first constituted, the Moderator shall appoint one member to serve until May 31, 1958, one to serve until May 31, 1957, and one to serve until May 31, 1956. All subsequent appointments shall be for three years. Any vacancies shall be filled by the Moderator. All members shall continue to hold office until their successors have been appointed and qualified. The Personnel Board may employ assistance and incur expenses as it deems necessary, subject to appropriation of funds therefor.

Section 15. Duties of the Personnel Board

(a) The Personnel Board shall administer the Salary Administration Plan and shall establish such policies, procedures and regulations as it deems necessary for the administration of such Plan.

(b) The Board shall annually, in June, meet and organize by the choice of a Chairman and Clerk. A majority of the Board shall constitute a quorum for the transaction of business. The votes of the majority of all the members of the Board shall be necessary on any matter upon which it is authorized to or required to pass under the Salary Administration Plan.

(c) The Personnel Board shall maintain records of all employees subject to this Plan, including therein such information as it deems desirable, said records to be kept by the Town Accountant, under the direction of the Board. Department heads shall furnish such information as shall be requested by the Board. The Town Accountant shall also check on matters covered by the Plan and shall bring any deviations to the attention of the Board prior to payment.

(d) The Personnel Board, from time to time, shall review the work of all positions subject to the Salary Administration Plan. Such reviews shall be so scheduled as to cover all such positions at intervals of not more than three years. The Personnel Board may tentatively add a new position to the Classification Schedule or reclassify an existing position to a different group either higher or lower, subject to the subsequent ratification of its action by formal amendment of the Salary Administration Plan at the next annual town meeting.

(e) The Personnel Board shall, from time to time, review the Salary Schedule and administration policies of the Salary Administration Plan. It shall keep informed as to pay rates and policies outside the service of the town, and shall recommend to the town any action which it deems desirable to maintain a fair and equitable pay level.

(f) Upon recommendation of a department head, supported by evidence in writing of special reasons and exceptional circumstances satisfactory to the Personnel Board, said Board may authorize an entrance rate higher than the minimum rate for a position, and such other variances in the Salary Administration Plan as it may deem necessary for the proper functioning of the services of the town, and to effectuate the basic intent of the Plan.

(g) The Personnel Board shall make an annual report to the town, including recommendations on any matters related to the Plan which it feels should be considered by the town.

Section 16. Employees and the Personnel Board

All employees shall have the right to request an appointment to confer with the Board on any matter which is of interest or concern to them and which is covered by the Salary Administration Plan. As a matter of courtesy to the department head, the employee shall notify him in advance of his desire to discuss the matter with the Board. One of the duties of the Board shall be to foster mutual understanding and goodwill with the personnel of the town.

To facilitate this, if any employee should feel aggrieved by the operation of any provision of the Plan, he shall first discuss the matter with his department head, in a mutual effort to clear up any problems or misunderstanding.

If two weeks after such a conference, a satisfactory understanding and solution of the problem has not been reached, then either the department head or the employee may take the matter to the Board. The Board shall hear the parties not later than its next regular meeting. There shall be no discrimination or prejudice by any department head against any employee who may take a matter to the Board.

Section 17. Amendment of the Plan

The Salary Administration Plan may be amended in the same manner in which the town by-laws may be amended; provided, however, that no amendment to the Plan shall be made until it has been presented by signed petition addressed to and submitted to the Personnel Board, and acted upon by the Board. Upon receipt of such a written petition the Board, after giving the petitioners, the heads of departments and employees affected at least three days' written notice, shall hold a hearing of the parties interested to consider the proposed amendment. If the Personnel Board shall approve any such proposed amendment, it shall take the proper steps to bring the proposed amendment before the next annual town meeting for its consideration and action. If the Personnel Board shall disapprove any such proposed amendment, and failure to act thereon within fifteen days after the hearing shall be deemed disapproval, the petition may then be presented to the next annual town meeting for its consideration and action, if so desired. The Board of its own motion, after a similar hearing and/or conference with parties interested, may propose an amendment to the Plan.

Section 18. Civil Service Law

Nothing in this by-law, or in the Salary Administration Plan, shall be construed to conflict with Chapter 31 of the General Laws, which is the Chapter dealing with the Civil Service Laws.

Section 19. Separability Provision

In the event that any provision of this by-law, or application thereof, shall be held to be invalid by the proper authorities, this shall not be construed to affect the validity of any other provision, or application thereof, of this by-law.
